

Fry List Videos

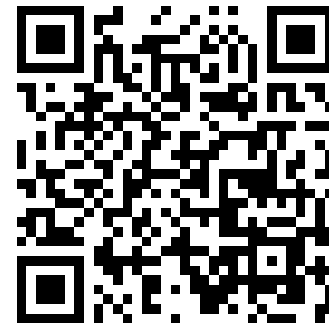

This resource contains QR codes to videos that will guide students to practice their Fry List words. The following pages have a QR code for each video. The Fry List has been broken down into groups of 25 words. Each video covers those 25 words. Simply scan the QR code with any device to open the video that has been uploaded to YouTube.

The QR codes below on this page will take you to a playlist on YouTube where all 24 videos can be accessed.
